presentation of the participating art universities.

Ladislav Sutnar Prize 2015

The fourth annual award ceremony will take place in the ceremonial hall of the Pilsen City Hall. The Ladislav Sutnar Prize is awarded to living Czech and international artists for outstanding performance in the field of fine arts, especially applied arts and design, possibly also in connection with pedagogical work of the nominees. It can be also awarded to institutions that support modern art and design through their programme and activities.
